## Faculty Position Openings

The Department of Electrical Engineering, National Taiwan University, has several openings for faculty positions of all levels starting from August 1, 2016. All areas in electrical engineering and computer science are being considered with emphases on the following areas:

1. **Multi-Agent Systems, Intelligent Robotics, Mechatronics, and General Control**

2. **Power Electronics, Renewable Energy, and Smart Grid**

3. **Computer Science and Engineering, Data Science and Engineering**

5. **Biomedical Electronics, Biomedical Imaging, Nano-Biotechnology, Biophotonics and Bioinformatics, Medical Informatics**

7. **Communication/Information/Network Theory, Signal Processing, Computational Psychology/Neuroscience, Quantum/Molecular/Biological/Biomedical Communications, Network Application and Services**

8. **SOC Design (Embedded Processor, Memory Design, Power Electronics, Medical Electronics)**

9. **Nanoelectronics / Advanced CMOS / Green energy / Display /Bioelectronic Devices and Technologies**

10. **Electronic Design Automation (EDA)**

11. **Photonics for solid-state Lighting, Display, Flexible Devices, Solar Cells, Portable Devices, Optical Interconnects, and Optical Communications**

There are 123 full-time faculty members, 1,700 graduate students and 800 undergraduate students in the Department, holding outstanding research and instructional programs in Automatic Control, Power Systems and Power Electronics Engineering, Computer Science, Biomedical Engineering, Photonics and Optoelectronics, Electromagnetic Waves, Communications and Signal Processing, Integrated Circuit and Systems, Nano-Electronics, and Electronic Design Automation.

To apply for a faculty position, please visit our website at [https://ee.ntu.edu.tw/eeoffice/ntueejob/](https://ee.ntu.edu.tw/eeoffice/ntueejob/) for on-line application with the following materials.

1) A curriculum vitae, along with a full publication list and a teaching and research plan
2) Reprints of 1-3 publications in the past 3 years
3) Two or more reference letters (sent directly to us by your referees)
4) A copy of the highest diploma granted (or a proof of Ph.D. degree to be granted by July 31, 2016)
5) Original copies of undergraduate and graduate transcripts.

Please also send a hardcopy of your application materials to the following address by December 31, 2015:
Professor Liao, Wanjiun, Chairperson,
Department of Electrical Engineering, National Taiwan University,
Taipei 10617, Taiwan ROC.
